

π DAY

Homework Assignment

- Create a poster to illustrate π
- Will be worth 5 HW points
 - 2 points for creativity, 2 points for representing π , 1 point for following directions
- Requirements:
 - Illustrate π creatively
 - Have as many interesting facts about π that you can find (minimum of 5 facts)
 - Must be larger than a piece of computer paper
 - If you do a “poster-board” size poster it will be entered into the poster contest at lunch
- If you would like to work with one partner, then your poster must be at least the size of a poster-board and must have at least 10 facts about π and be twice as creative
- ALL posters are due Monday, March 12th during class.
 - No late posters will be accepted.

Extra Credit Opportunity

- If you complete the poster assignment then you may bring in one pie for 5 extra credit homework points.
- The pie must be store bought and CANNOT be from the frozen food aisle of the grocery store.
- Pies must be brought in Wednesday, March 14th BEFORE school (no exceptions).
- If you buy your pie at Polly’s Pies or at Marie Callender’s they will donate money to our school.

Lunchtime π Day Activities

- Pie Eating Contest
- Reciting π Contest
- Poster Contest
- And more!
- Prizes will be given out for winners!
