ROBSTOWN SPECIAL EDUCATION STUDENTS CELEBRATE AFTER WIN

Robstown, TX—April 09, 2015— The students of Robstown ISD’s Special Education program obtained bragging rights after their basketball game last Wednesday. It was a packed gym with student supporters, parents, and staff—all there to cheer the team on. They are a unique group because they are all seniors, who accredited their win to teamwork and passion for the sport. According to Special Education Director, Norma Rodriguez, not only were they proud of themselves for scoring, but showed true sportsmanship while applauding the opposing team for their points scored as well. The team lineup is as follows:

- Daniel Ceballos, #44
- Marisol Cerda, #5
- Alyssa Echebarria, #22
- Russell Green, #33
- Nicolas Rojas, #50
- Steven Trevino, #45

Coach of the team, John Temple, was very proud of his students and noted that they’d truly be missed after graduation. “I am so pleased with the group effort that was made by the kids, I’ve worked with them for several years and want everyone to know how far they’ve come and what an outstanding job they’ve done.

The team celebrated after the game with a pizza party. During that time, Superintendent Dr. Maria Vidaurri, awarded the students with a certificate of achievement and they were able to select a book of their choice to take home. The Cotton Picker’s finished the year with a win

against the Kingsville Brahmas with a final score of 32-21. For more information, visit the District website at www.robstownisd.org.
