

Board Committees

The Board may establish such standing and special committees as it finds needed to carry out its responsibilities.

The chairperson will appoint members to serve on Board committees and on Board-staff committees, community bodies, and other groups in which the Board participates.

Each standing Board committee will be made up of a chairperson and two members. The Board chairperson will be an ex-officio member of all Board committees, and the superintendent or his designee will serve as a resource person. The standing committees will be established annually and membership named at the Board's organization meeting or soon thereafter. Special committees may be set up at any time by the Board.

Meetings of Board committees will be open to all Board members and the public.

No action will be taken by a Board committee. A committee will examine situations that fall within the realm of its assigned responsibilities and will report its findings and make recommendations to the Board.

The Board reserves the right to dissolve a standing or special committee at any time.
