

Permission to post student-related material to the Internet

Dear Parent/Guardian,

From time to time, NYOS Charter School may want to post pictures of students or samples of student work on school web pages or on the NYOS Charter School web site.

There will be no identifying information such as full student names associated with posted work or photos.--If a full name were ever appropriate or necessary, parents would be contacted and permission would be obtained in writing beforehand.

By signing below, you are giving NYOS Charter School permission to post your child's work or photograph on a the NYOS Charter School website or a teacher web page.

I hereby grant permission for NYOS Charter School to post my child's work or photograph on the school web site.
