

PANORAMA COMMUNITY SCHOOL DISTRICT

FORMULATION OF POLICY

The primary responsibility for proposing Board policies rests with the Superintendent of Schools, however, policies may be proposed by any member of the Board, by a personnel member with the approval of the Superintendent or by any citizen or group of citizens in the School District.

Policy proposals shall be submitted to the Board, through the Superintendent of Schools, prior to a regularly scheduled meeting. Final action on new policies shall be taken no earlier than the next meeting following the one at which the proposal is made.

The Superintendent and the board of directors shall review the policies of the board at least every five years and make suggestions for new policies or changes in current policies as needed.
