

Financial Reports and Statements

The Board will have prepared, and will file and publish, all required financial reports and statements in accordance with the Wyoming Municipal Budget Act, the Education Code, other applicable laws, and rules and regulations of the state examiner and State Board of Education.

Each month the superintendent or his designee (business manager) will furnish the Board a financial report showing for each general fund account:

- Account budgeted
- Monthly expenditures
- Expenditures year to date
- Encumbrances to date
- Unexpended, unencumbered balance

Adopted: December 11, 1973
