

# 2<sup>nd</sup> Grade Homework Packet

## February 19 – 21, 2013

### Tuesday

Study this week's spelling list for Friday's test. Complete the Spelling worksheet. Also, complete the math pages 69, 70, 71 & 72. Have an adult check your homework for errors, and sign after you correct it.

### Wednesday

Tonight, you will do "family homework". Ask a parent to work with you. Complete the word web for the following prompt: **In class we have been reading about amazing animals. Think of the many amazing facts we learned about an animal of your choice. Record three fascinating facts about this animal in the boxes labeled, First, Second and Finally.** Using your word web, complete the paragraph frame. Be sure to include a **Title** for your paragraph and use complete sentences that begin with a capital letter and end with the correct punctuation mark. A topic sentence has been provided. You need to write a concluding sentence. Once you have completed your paragraph, **reread** it to be sure that it makes sense. Now you are ready to write your **final copy** on the back. Your parent may help guide you! Homework packets are due Thursday.

### Thursday

This is a paper-free night! Review the spelling words to be ready for tomorrow's test. Review counting coins such as pennies, nickels, dimes and quarters.

## Lesson 20

Vowels with "r" -air, are, ear

### Spelling Words

- |          |               |
|----------|---------------|
| 1. bear  | 11. dear      |
| 2. bare  | 12. busy      |
| 3. early | * 13. evening |
| 4. fare  | * 14. piece   |
| 5. fair  | * 15. peace   |
| 6. care  |               |
| 7. share |               |
| 8. near  |               |
| 9. pair  |               |
| 10. pear |               |
