

GREENFIELD HIGH SCHOOL
Math Department

Dear Parents:

August 13, 2014

We welcome you to the 2014-2015 school year at **Greenfield High School**. We are looking forward to having your teenager in our math classes. The courses offered this year include Math I, Math II, Precalculus, Consumer Math, CAHSEE, and AP Calculus. Math I and Math II are new courses that combine concepts from both Algebra I and Geometry. They are designed around the new Common Core standards. Our goal as a department is to provide a better understanding of the required course curriculum. We hope to achieve a level of mastery with each and every one of the students in our classes. It is our belief that working together we can reach this goal. We would like to invite you to contact us with any questions or concerns you may have regarding your teenager or their math class.

We also invite you to this year's **Back to School Night**. It will take place on **Wednesday, September 17, 2014**. The event will begin at **5:45 p.m.** and end at **8:00 p.m.** If you are not able participate in the entire event, we encourage you to come for a brief visit.

We ask that you please sign and date the bottom portion of this page and return it with your teenager. We encourage you to contact us at any time with any questions or concerns you may have. Feel free to contact the Counseling Department at **(831) 674-2751** to schedule a conference. We are looking forward to a successful year and we know that working together we can achieve academic success.

Sincerely,

Norma Barrón	nbarron@smcjuhsd.org
Marisol Cisneros	mcisneros@smcjuhsd.org
Rosalba Guzmán	rguzman@smcjuhsd.org
Tobías López	tlopez@smcjuhsd.org
Isabel Montoya	imonotoya@smcjuhsd.org
Adriana Veysey	aveysey@smcjuhsd.org
