PLEASANTON UNIFIED SCHOOL DISTRICT
STRATEGIC PLAN

Principal's Message

Village High School, which opened in 1978, serves as a "new beginning" for students who have not found success at either of the two comprehensive schools. Village offers a caring climate that supports student success and creates a desire for continued success. Students thrive in an environment that provides individual attention and instruction, consistency in behavioral and academic expectations, and support for each student and their unique personal needs. Village High School received the maximum six-year term on the recent review by the Western Association of Schools and Colleges in March of 2007. The campus is home to approximately 200 students who are engaged in meeting district graduation standards, as well as exploring career interests and focusing on future goals. Instruction is geared to maximize the learning experience for each individual student, and, with a class size average of 20 to 1, teachers are able to support student learning throughout the curriculum. Partnerships and career education are also an important focus at Village, as staff, parents and students work together to achieve common goals. The Culinary Arts Career Pathway is a comprehensive program designed to create engaged learners who experience hands-on learning as a real business. Students selected for the leadership class will learn responsibility, ethics, and self-discipline. They will be involved in community service, leadership activities and entrepreneurial experiences that prepare them to become active and successful members of society. The pillars of the district's character education program are embedded in both the curriculum and day-to-day activities of Village High School. Rewards for good behavior and attendance combined with consistent and fair consequences for inappropriate actions encourage students to take personal responsibility for their education and behaviors. Overall, academic achievement, technology as a tool for learning, character building and career exploration are all part of the Village High School experience. Students come to Village for a variety of reasons, but they leave with a healthy respect for themselves, the staff, and the community in which they live. The student body and staff work together to continue to create a model school environment which supports student success.

Mission Statement

Village High School fosters educational achievement and character development by providing a student with an alternative atmosphere and educational program that will enable him/her to explore career choices, develop academic and technical skills, and feel successful and succeed if he/she desires to do so.

Students will. . .

- Become lifelong learners.
- Utilize essential skills in current and future situations
- Strengthen personal character.
- Promote active citizenship in concerns for others

School Profile

Village High School is located in the eastern region of Pleasanton and serves students in grades ten through twelve following a traditional calendar. At the beginning of the 2013-14 school year, 97 students were enrolled, including 34.7% in special education, 5.1% qualifying for English Language Learner support, and 7.1% qualifying for free or reduced price lunch.

Student Enrollment by Ethnicity / Grade Level 2013-14			
Ethnic Group	%	Grade Level	#
African-Amer.	7.10%	Grade 10	7
Amer. Indian or Alaskan Native	0.00%	Grade 11	35
Asian	6.10%	Grade 12	55
Filipino	3.10%		
Hisp. or Latino	20.40%		
Pacific Islander	2.00%		
Caucasian	58.20%		
Multi-Racial	3.10%		
Total Enrollment			97

Student Achievement

Standardized State Assessments

Students at Village High School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS). The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency through fiscal year 2012-13. Beginning in 2013-14, students at Village High School participated in the new statewide student assessment system program identified as CAASPP, California Assessment of Student Performance and Progress. For the 2013-14 school year, the CAASPP reports results for the CST, CMA, and CAPA science test given in grades five, eight and ten only.

Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Village High School			District			California		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
English Language Arts	22	27	27	82	84	82	54	56	55
Mathematics	5	11	10	72	73	72	49	50	50
Social Science	31	33	25	79	80	81	48	49	49

Note: STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California Assessment of Student Performance and Progress / Standardized Testing and Reporting Results for All Students in Science -- Three-Year Comparison									
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	Village High School			District			California		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science (grades 5, 8, and 10)	17	17	30	88	87	89	60	59	60

California Assessment of Student Performance and Progress Results by Student Group in Science (School Year 2013-14)	
Group	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)
All Students (District)	89
All Students (School)	30
Male	31
Female	
African-Amer.	
Amer. Indian or Alaskan Native	
Asian	
Filipino	
Hisp. or Latino	
Pacific Islander	
Caucasian	28
Multi-Racial	
English Learners	
Economically Disadvantaged	
Migrant Educ.	
Students with Disabilities	

Note: Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) for students in grades 5, 8 and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

California High School Exit Exam

The California High School Exit Exam (CAHSEE) is a state-mandated test given to 10-12 grade students to measure student proficiency in math and language arts. The CAHSEE helps identify students who are not developing skills that are essential for life after high school and encourages schools to give these students the attention and resources needed to help them achieve these skills during their high school years.

Students must pass the language arts and math components of the examination to be eligible for a high school diploma. The test is initially given to students in the tenth grade. Students are given numerous chances to pass the test during their sophomore, junior, and senior years; 61% of Village High School's tenth grade students who took the test passed the math portion of the exam and 67% passed the language arts portion. Proficiency scores from the test are used as a determination of Adequate Yearly Progress (AYP) as noted in the AYP section of this report.

California High School Exit Exam All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	Village High School			PUSD			California		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
English Language Arts	47	45	28	87	86	86	56	57	56
Mathematics	31	55	39	87	89	87	58	60	62

Three levels of performance are set: Advanced, Proficient, and Not Proficient. A score of Proficient is different from the passing score for the graduation requirement. Students must achieve a scaled score of 350 on each portion to pass the exam. Students scoring above a scaled score of 380 qualify for placement in the Proficient or above category.

California High School Exit Exam Percentage of Students Scoring in Each Performance Level 2013-14						
	English			Mathematics		
	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students (District)	14	19	67	13	34	53
All Students (School)	72	22	6	61	33	6
Male	75	17	8	67	25	8
Caucasian	67	27	7	53	40	7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2011	2012	2013
Statewide Rank	B	B	B
Similar Schools Rank	B	B	B

Results generated from 2011, 2012, and 2013 Base API Reports

Note: For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

Academic Performance Index (API) Three Year Performance Comparison			
Results	Increase/Decrease in API Score		
	2010-11	2011-12	2012-13
Schoolwide - All Students	16	-5	-67
Ethnic Subgroups			
African-Amer.	*	*	*
Amer. Indian or Alaskan Native	*	*	*
Asian	*	*	*
Filipino	*	*	*
Hisp. or Latino	*	*	*
Multi-Racial	N/A	*	*
Pacific Islander	*	*	*
Caucasian	*	*	*
Other Subgroups			
Students with Disabilities	*	*	*
Economically Disadvantaged	*	*	*
English Learners	*	*	*

* Fewer than 10 students were tested and results were not disclosed for privacy purposes

Results generated from 2011, 2012, and 2013 Growth API Reports

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

On March 7, 2014, the U.S. Department of Education approved California's testing waiver allowing flexibility in making AYP determinations for elementary and middle schools and unified school districts participating in the Smarter Balanced Field Test. CDE will not produce a 2014 AYP report for these qualifying schools and districts. High schools and high school districts will receive a 2014 AYP report based on achievement results from the grade ten California High School Exit Examination (CAHSEE) and California Alternate Performance Assessment (CAPA) as well as the cohort graduation rate.

The AYP table in this report illustrates the school's progress in meeting 2013-14 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2013-14		
Did the school and district meet or exceed 2014 AYP performance criteria in each of the areas listed below?		
AYP Indicator	Site	PUSD
Overall Results	No	*
Participation Rate		
English Language Arts	Yes	*
Mathematics	Yes	*
Percent Proficient		
English Language Arts	No	*
Mathematics	No	*
Met API Criteria	N/A	*
Graduation Rate	Yes	N/A

A "*" means that the school or LEA did not receive a 2014 AYP Report. For 2014, only schools and LEAs identified as a "high school" or "high school LEA" are in receipt of AYP Reports.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2013-14, Village High School qualified for Title I Targeted Assistance funding and is subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status 2014-15		
PI Status	Site	PUSD
	In PI	In PI
First Year of PI	2014-2015	2012-2013
Year in PI	Year 1	Year 2
No. of Schools Currently in PI	3	
% of Schools Currently in PI	20.0%	

Note: Cells with N/A values do not require data.
*DW (Determination Waiver) indicates that the PI status of the school was carried over from the prior year in accordance with the flexibility granted through the federal waiver process.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments & NCLB Compliance charts; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Pupil Achievement – State Priority 4: Covered in *Standardized State Assessments*, including the STAR Results and CAASPP charts; *Academic Performance Index*, including API chart; and *College Preparation & Work Readiness*, including the CTE Program Participation and UC/CSU charts.

Other Pupil Outcomes – State Priority 8: Covered in *California High School Exit Exam*,

including the CAHSEE charts; and *Physical Fitness*, including the Physical Fitness Test chart.

Parental Involvement – State Priority 3: Covered in *Parent Involvement*.

Pupil Engagement – State Priority 5: Covered in *Dropouts* and in *Graduation Requirements*, including Dropout & Graduation Rates and Completion of High School Graduation Requirements charts.

School Climate – State Priority 6: Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school website, the school bulletin board, Facebook, and the "Village Newsletter" via email. Contact the principal at (925) 426-4260 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Village High School's original facilities were built in 1955; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Every morning before school begins, the administrator inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Village High School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1955
Acreage	11.65
Square Footage	23,702

Greenhouse	1
Professional Kitchen	1
RSP Classroom	1
SDC Classroom	1

Deferred Maintenance

Village High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2013-14 school year, Village High School did not qualify to receive deferred maintenance funds for campus repairs and/or improvements.

Facilities Inspection

The district's maintenance department inspects Village High School on an annual basis in accordance with Education Code §17592.72(c)(1). Village High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, October 21, 2014. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2013-14, all restrooms were fully functional and available for student use.

School Facility Good Repair Status Most Recent Inspection: Tuesday, October 21, 2014			
Item Inspected	Repair Status

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
✓			

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, vice principal, and teachers patrol the campus, entrance areas, and designated common areas. The principal and vice principal monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, the principal, vice principal, and teachers monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner. To enhance two-way routine communication and facilitate an immediate response to urgent situations, the principal, vice principal, and office staff carry hand-held radios while on campus.

Village High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Village High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in Spring 2014.

Classroom Environment

Discipline & Climate for Learning

Village High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	11-12	12-13	13-14
	Site		
# of Students Suspended	52	23	31
# of Students Expelled	4	1	2

# of Students Expelled	9553	8266	6611

Chart provides an unduplicated count of students involved in one or more incidents during the academic year who were subsequently suspended or expelled from school.

Teaching Load

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Teaching Load Distribution Departmentalized Instruction				
Subject	2011-12			
	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
English	13.8	25		3
Mathematics	10.0	15	3	
Science	21.8	9	2	6
Social Science	15.9	23	3	3
2012-13				
Subject	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
English	10.0	14		
Mathematics	11.0	6		
Science	12.0	7		
Social Science	15.0	9	1	
2013-14				
Subject	Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+
English	9.0	15		
Mathematics	9.0	5		
Science	14.0	6		
Social Science	15.0	8	1	

**Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary level, this information is reported by subject area rather than grade level.*

Dropouts

Village High School's teachers and administrative staff practice the early identification of and intervention on behalf of students who exhibit warning signs and/or behavioral traits that may lead to dropping out of school. Intervention strategies used to promote attendance and reduce dropout rates include independent study and referral to an alternative high school setting. Understanding that the needs of each student are different, administrators, counselors, and teaching staff continue their efforts to discover successful solutions to help students complete their high school program.

In the following Dropout & Graduation Rates table, 2012-13 data is the most current information available, since state certification/release dates for dropout data occur too late for inclusion in this report. Detailed information about dropout rates and graduation rates can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Dropout & Graduation Rates

	Dropout Rate	14.7%	13.1%
Graduation Rate	77.1%	78.9%	80.4%

Graduation Requirements

Students must accumulate 230 course credits, pass the math portion of CAHSEE, pass the language arts portion of CAHSEE, and earn a passing grade in Algebra 1 to receive a high school diploma from Village High School. Alternative methods of acquiring a diploma are available through the Continuation School for those students who have been unsuccessful in a high school environment or have exhausted their opportunities to remain at Village High School. The following table illustrates the percentage of students graduating from Village High School who have met both CAHSEE and district graduation requirements.

Percentage of Students Passing CAHSEE & Meeting District Graduation Requirements* 2012-13**		
Village High School	PUSD	California
49.0 %	95.3 %	80.4 %

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Village High School revolve around the Common Core State Standards. During the 2013-14 school year, Village High School held staff development devoted to:

- Data Analysis
- Equity Training
- Common Core State Standards Teaching Strategies

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Village

High School supports ongoing professional growth throughout the year on minimum days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2013-14 school year, Village High School's teachers attended the following events hosted by the Pleasanton Unified School District:

- SMART Boards
- Bridging the Achievement Gap Using SMART Technologies and Treasures/Tesoros
- Implementing iCommunication in the Classroom
- Special Education Job Alike
- Getting Started with Google Sites
- Technical Writing for Science Class
- Greater Good Summer Institute for Educators
- Learning Circles Seminar Series
- CHSSP (California History/Social Studies Project)
- Google in Education California Summit
- Universal Design for Learning (UDL) and the Common Core Standards
- IntegratED Conference - Improving Education with Technology
- World Language Collaboration
- Standards of Mathematical Practice
- Math Articulation from Middle to High School

Village High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend

Instructional Materials

All textbooks used in the core curriculum at Village High School are currently being aligned to the Common Core State Standards. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Tuesday, November 18, 2014, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 2014-2015.08 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class

and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2014-15 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

School Leadership

The administrative team is comprised of the principal and the vice principal, who work closely with teachers, parents, and school staff. Principal Dana Chavez is responsible for the day-to-day operations of the school and overall instructional program. The principal and vice principal work as a team to fulfill the many responsibilities associated with running an effective educational program.

Principal Dana Chavez has been serving Village High School for two years (as of 2013-14).

College Preparation & Work Readiness

College Preparation Courses

Students are encouraged to take required courses if they plan on attending a four-year college or university. The adjacent table illustrates the proportion of courses taken and successfully completed in relation to the number of course enrollments (sum of total enrollment in all classes).

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admission requirements please visit the UC Website at universityofcalifornia.edu/admissions/general.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses, and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements, please visit the CSU Website at calstate.edu/admission/.

Courses for UC/CSU Admission	
	%
2013-14 Students enrolled in courses required for UC/CSU admission	32.2
2012-13 Graduates who completed all courses required for UC/CSU admission	0.0

Workforce Preparation

Students in grades ten through twelve receive counseling from school personnel regarding career paths and courses of study. The counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Village High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Work Experience
- Regional Occupational Programs
- Workability
- Career/Partnership Academies
- Career Pathways
- Vocational Education Courses

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- On-the-job observation
- Classroom observation

Work experience students are partnered with local employers that provide on-the-job training and mentoring for students 16 years of age or older. Work experience students receive guidance and supervision designed to ensure maximum educational benefit from part-time job placement. For more information, students should contact the counselor.

Regional Occupational Programs (ROP) are offered in partnership with the the Tri-Valley Regional Occupational Program. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

Workability provides work experience opportunities outside the school day that meet the students' interests and aptitudes while

providing real-world job experience prior to graduation. The program is available to all students with disabilities who have an Individualized Education Plan.

Students enrolled in the career/partnership academies are enrolled in core classes where instructional content is more closely related to the student's chosen field of study. Core curriculum teachers and partnership academy teachers collaborate regularly to ensure three-year terms and coursework are in alignment with state standards and students' needs.

During the 2013-14 school year, Village High School offered the following career technical education programs as elective courses: Marketing, Sales, and Service, and Horticulture / Farm to Fork.

Professional Staff

Counseling & Support Staff

Village High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Village High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2013-14		
	No. of Staff	FTE
Academic Counselor	1	1.0
Health Clerk	1	0.2
Nurse	1	*
Psychologist	1	0.5
School Resource Officer	1	*
Speech Therapist	1	*

* as needed

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2013-14 school year, Village High School had 12 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2013-14		
	Taught by NCLB- Compliant Teachers	Taught by non- NCLB- Compliant Teachers
Village High School	100.0 %	0.0 %
District Totals		
All Schools	100.0 %	0.0 %
High-Poverty	0.0 %	0.0 %
Low-Poverty	100.0 %	0.0 %

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

Teacher Credentials & Assignments				
	Site			PUSD
	12-13	13-14	14-15	14-15
Total Teachers	13	12	14	672
Teachers with full credentials	13	12	14	667
Teachers without full credentials	0	0	0	5
Teachers teaching outside subject area	0	0	0	0
Total teacher misassignments	0	0	0	0
Teacher misassignments for English learners	0	0	0	0
Teacher vacancies	0	0	0	1

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total teacher misassignments includes the number of misassignments of teachers of English learners.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2012-13 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2012-13		
	PUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$55,646	\$41,318
Mid-Range Teacher Salary	\$80,752	\$65,615
Highest Teacher Salary	\$98,045	\$84,981
Superintendent Salary	\$220,000	\$206,292
Average Principal Salaries:		
High School	\$136,959	\$121,455
Percentage of Budget:		
Teacher Salaries	49%	40%
Administrative Salaries	5%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

For the 2012-13 school year, Pleasanton Unified School District spent an average of \$7,838 of total general funds to educate each student (based on 2012-13 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2012-13 school year, the district received categorical, special education, and support programs funds for:

- Class Size Reduction, Grades K-3 (optional)
- Economic Impact Aid (EIA)
- Education Protection Account
- Lottery: Instructional Materials
- Other Local: Locally defined
- Special Education
- State Lottery
- Title I, II, III
- Transportation
- Transportation: Special Education
- Vocational Programs

Expense of Education Per Pupil 2012-13

SARC Data

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Village High School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not

limited to API, AYP, STAR results, enrollment, and staffing.

Public Internet Access Location

Parents may access Village High School's SARC and access the internet at any of the county's public libraries. The closest public library to Village High School is Pleasanton Public Library.

Address: 400 Old Bernal Ave., Pleasanton
Phone Number: (925) 931-3400

WebSite:

Number of Computers Available: 24

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Pleasanton Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials section were acquired in December 2014. Data to prepare the school facilities section were acquired in November 2014.

Nondiscrimination

The District's programs and activities shall provide equal access to and shall not unlawfully discriminate based on actual race, color, ancestry, national origin, ethnic group identification, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics and against students who are members of special populations. Special populations include, but are not limited to, students with disabilities; students from economically disadvantaged families, including foster youth; students preparing for nontraditional fields; single parents and single pregnant females; displaced homemakers; and students with limited English proficiency. (20 USC 2302, 2354, 2373)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 1312.3 - Uniform Complaint Procedures)
