

Parent-Student Homework Activity

Keeping It Real About Sex

Directions: Explain to your parent(s) or other trusted adult that you are learning about the consequences that can happen if a teen decides to have sex. Using this worksheet, start a conversation with your parent or other trusted adult. Write their answers in the space provided.

- 1. In class I am learning that there can be serious consequences to having sex, such as getting pregnant. Do you think someone my age is ready to raise a baby? Why?

- 2. We also learned that it could be harder to reach your goals, like finishing high school or getting a good job, if a person my age has sex. Do you think if someone my age has sex it would make it harder to reach his or her goals? Why?

- 3. What goals would you like to see me reach? For example, graduate from high school or go to college. How can you help me reach these goals?

-----Cut here and return the lower part to your It's Your Game...Keep It Real teacher.-----
