The Alyssa Arends

GPS Community Education Scholarship Fund

This scholarship program is made in memory of Alyssa Arends. Alyssa was 15 years old, a freshman at Grandville High School, when she passed away from complications relating to chemotherapy for treatment of Ewings Sarcoma (bone cancer) in 2014. Alyssa was a very active teenager and loved to try new things. She had been given many opportunities through Grandville Community Education, and we would like to assist others an opportunity to do the same. It is our goal to award many GCE scholarships annually to allow as many children as possible to **Learn Grow Lead** as Alyssa did.

Please consider applying for a scholarship by completing the application below and submitting to: Grandville Community Education office
3131 Barrett Ave. SW
Grandville, MI 49418
